

Dear Friends,

We are pleased to share our annual honor roll of donors. In the following pages are the contributors who helped make 2014 an amazing success for Mills-Peninsula Hospital Foundation. The names on these pages represent a caring community, one that recognizes the importance of having the best health care close to home.

Annual contributions are the primary means of support for any nonprofit organization, and Mills-Peninsula is no exception. We thank the following supporters for their exceptional generosity and for helping us provide new standards of care for our community.
